We have reviewed this presidential memo and believe that it does not affect the Agency and that it applies only to regulatory agencies. If you confirm this view, we believe no action is required.

As I mentioned this morning we, including [redacted] resident attorney, have reviewed this presidential memo. As we read it, it applies only to regulatory agencies, for example, FTC, FCC, etc. who issue rules which govern the manner in which businesses, utilities, etc. conduct their business.

STAT

Let me suggest that you forward this presidential memo to OGC per the attached note which I have prepared for you.
